Yapı Kredi strives to comply with the Corporate Governance Principles published by the Capital Markets Board (CMB) and focuses on continuous development in this area while carrying out its operations.

The mandatory principles within the scope of the Communiqué on Corporate Governance numbered II-17.1 which is currently in effect have been fully complied with and the non-mandatory principles have been mostly complied with. Despite full compliance with the non-mandatory Corporate Governance Principles is targeted, such full compliance has not been achieved yet due to reasons such as the practical challenges with some of the principles, the ongoing discussions both in our country and on the international platform in relation to compliance with some of the principles and the fact that some principles do not completely overlap with the existing structure of the market and the Bank. The principles that have not yet been implemented is worked on and it is planned that their practice will start after the completion of the administrative, legal and technical infrastructure work in a way to contribute to the efficient management of the Bank. Below in the relevant chapters are the explanations for Yapı Kredi's extensive efforts conducted within the framework of the Corporate Governance Principles and the principles that have not yet been complied with and the conflicts of interest, if any, arising from these.

Efforts for compliance with the Capital Markets Law which covered the new regulations of the CMB on the Corporate Governance Principles and with the communiques issued on the basis of this law were among the main efforts in the field of Corporate Governance in 2015. The Board of Directors and the Committees of the Board of Directors of the Bank were formed in line with the regulations in the Communiqué on Corporate Governance. The Committees of the Board of Directors that are formed continue with their activities efficiently. A remuneration policy was set for the Board of Directors and the senior management and employees and was submitted to the information of the shareholders at the Annual Shareholders' Meeting. Annual Shareholders' Meeting Disclosure Document containing the Annual Shareholders' Meeting information such as the shareholding structure, total number of shares and voting rights, the biographies of the candidates standing for membership to the Board of Directors and the Remuneration Policy was submitted to the information of the investors 3 weeks before the Annual Shareholders' Meeting. Furthermore, the Bank's corporate website and annual report were reviewed and the revisions required for full compliance with the principles were made. Work required for compliance with the principles will be carried out in the upcoming period by taking into consideration both the developments in the legislation and practice.

In clause 3 of article 6 of the Communiqué on Corporate Governance in relation to exemptions, it is stated that the number of independent Board members may be determined by the banks themselves on the condition that this number is not less than three and that the Board members who are appointed as an audit committee member within the bank's organization for the Board of Directors shall be considered as independent Board members within the framework of this communiqué. The communiqué also states that the qualifications set forth in the Corporate Governance principle numbered 4.3.6 shall not be sought in audit committee members of banks and that the principles numbered 4.3.7 and 4.3.8 in relation to the election of these members shall not be applied. The same communiqué also provides that the qualifications set forth in the principle numbered 4.3.6 shall be required in any case in respect of the independent board members who will not be appointed in the audit committee, and for only one member in cases where all of the independent members of the board of directors are appointed in the audit committee and that the principles numbered 4.3.7 and 4.3.8 shall apply with regard to the election of this independent member or these independent members. In this framework, all of the Members of the Bank's Audit Committee were independent members in 2015, with Benedetta Navarra and Adil Giray Öztoprak having the qualifications set forth in principles numbered 4.3.7 and 4.3.8.

Among the Corporate Governance Principles, following main principles which have not been fully compiled and not mandatory in accordance to communiqué have been specified below detailed information on this respect is provided in the relevant chapters below. There is no conflict of interest arising from non-compliance with the said principles.
